PROFESSIONAL SUMMARY

Multidisciplinary **Higher VET student in Transport, Logistics & International Trade (EQF Level 5)** with hands-on experience in **live event operations**, **B2B ERP support** and **digital sports media**. Delivered logistics and production support at leading venues in Spain (Pabellón Príncipe Felipe, Espacio Zity) and at music festivals, with nearly three years of experience in sports event logistics. Proven ability to coordinate teams, resolve incidents in real time and perform at a high level under pressure.

Complement an operational profile with two years of hybrid, autonomous work in digital sports content and community management. Adaptable, proactive and fully mobile, I am seeking an **Erasmus+ traineeship** in Supply Chain, Event Operations or Sports Communication within an international, multicultural environment. Strong working English (CEFR B2), reinforced by stays in Ireland.

WORK EXPERIENCE: LOGISTICS & EVENT OPERATIONS

ERP Support Technician (Work Placement) | NetOffice – Laso S.L. | Zaragoza, Spain *Feb 2026 – Mar 2026*

- Delivered **B2B support** to transport companies, resolving incidents and providing technical assistance on ERP management.
- Trained traffic managers (clients) to optimise their use of the software.
- Applied logistics expertise to integrate real-world operations with technology solutions.

Logistics & Production Assistant | Grupo Penny Wise | Zaragoza, Spain *Sept 2025 – Present*

- Execute technical set-up and dismantling at flagship venues, including Pabellón Príncipe Felipe and Espacio Zity.
- Support event infrastructure logistics, including loading and unloading of technical equipment, ensuring delivery within deadlines and compliance with health and safety regulations.
- Optimise workflows in direct collaboration with production and technical crews.

General Coordination Staff | Jujaneo Eventos 2025 (Festival) | Cuenca, Spain *Jun 2025 – Present*

- Coordinate overall festival operations and resolve incidents in **real time**.
- Act as **Artist Liaison** with artists' production teams, securing sound-check and performance schedules.
- Manage bar logistics: stock control, replenishment and supervision of points of sale under high-demand conditions.

Event Logistics & Organisation Support | Regional Ministry of Education, Culture and Sports (JCCM) | Cuenca, Spain *Sept 2022 – Jun 2025*

- Prepared technical infrastructure, including circuits and signage, for athletics competitions and regional sports events.
- Provided end-to-end participant support, from registration to the completion of events, ensuring the safety of attendees and athletes.
- Collaborated with public bodies (**stakeholder management**) to deliver recurring sports events successfully.

WORK EXPERIENCE: SPORTS COMMUNICATION & DIGITAL MEDIA

Editorial Coordinator | VAVEL España | Hybrid / Remote *Nov 2025 – Present*

- Write analytical, accurate match previews and reports, adapted to the pace and deadlines of digital journalism.

Content Writer & Community Manager | Somos Fútbol | Hybrid (Zaragoza) *Aug 2025 – Present*

- Write analysis articles and match reports on national and international football.
- Develop social media content strategy to increase engagement and community reach.

Community Manager & Writer | Futboleros TV | Hybrid / Remote *Nov 2024 – Present*

- Manage X (Twitter) and Instagram communities, monitoring trends to create high-impact, shareable content.
- Deliver real-time coverage of key matches, strengthening the connection between brand and audience.

OTHER EXPERIENCE

Restaurant Team Member | Cuenca Con Carácter | Cuenca, Spain *Summer 2024*

- Provided customer service and coordinated orders during peak season in a UNESCO World Heritage city.

EDUCATION

Higher VET Diploma (Double Qualification): Transport & Logistics + International Trade | Colegio Montessori | Zaragoza, Spain *Sept 2025 – Jun 2028*

In progress · EQF Level 5 · Advanced Vocational Training (Spanish: Doble Grado Superior en Transporte y Logística + Comercio Internacional)

- Specialisation in supply chain management, international transport, customs regulations and optimisation of global logistics processes.

Upper Secondary Education: Social Sciences Track (Bachillerato) | Fundación Educación Católica | Cuenca, Spain *Sept 2023 – May 2025*

EQF Level 4

- Focus on economics, applied mathematics and geographical analysis.
